EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Glenn Martyn on January 29, 2004.

The application has been amended as follows:

In the claims:

Claims 1-7 are cancelled.

Newly drafted Claim 8 as accepted by Applicant has been inserted as follows:

-- Claim 8. A cat tree and scratching post combination which can be used by cats and other animals consisting of:

an artificial tree having a trunk and a plurality of branches extending from a topmost position of said trunk, said branches having artificial leaves attached to the branches for cats to rub their whiskers against, said artificial tree's appearance simulating a real tree;

a plurality of flat horizontal platforms elevated above the ground and directly supported on the tree branches, said platforms having a padded surface and being of a size large enough to support full grown domestic cats for use as a perch or for laying down upon;

A collection of three pet products; a first product specifically meant for cats can be either a real or simulated tree, having real or simulated leaves and used as a resting area and scratching post. Additionally having one or more padded platforms for perching with rope wrapped around one or more portions of the tree. A second product meant for a combination of animals structured as a one, two or three piece litter box and/or bed/rest area having stairs leading into the box. A third product meant for a combination of animals for eating and drinking, made from real or simulated rocks or stones. And further, requiring a device for circulating water and having one or more food bowls, the bowls also available to in which to place decorative plants or trees or any other type decoration. f

Further, Applicant is reminded that new corrected drawings are required in this application because in the Final Office Action mailed December 31, 2003, Applicant received PTO-form PTO-948 (additional copy attached) showing problems with the drawings as identified by the Official Draftsperson for the Office. Applicant is advised to
